- GOOD CAUSE EXISTS FOR THE EXTENSION.

The parties are asking that this Court extend the motion deadline by the additional 16 days as additional time is needed for drafting motions. The expert depositions in this case took place on October 4, 2017 for the defendant's expert and then on October 18, 2016 for the deposition of the Plaintiff's expert. That the parties need the additional 16 days to absorb the depositions and put together appropriate motions and present those to the Court. That the parties have been diligent in their discovery and that the additional time is needed to address the issues in this case.
